

MISSISSIPPI STATE DEPARTMENT OF HEALTH

CHILD CARE LICENSURE INFORMATION MEMORANDUM

Number 6

April, May & June

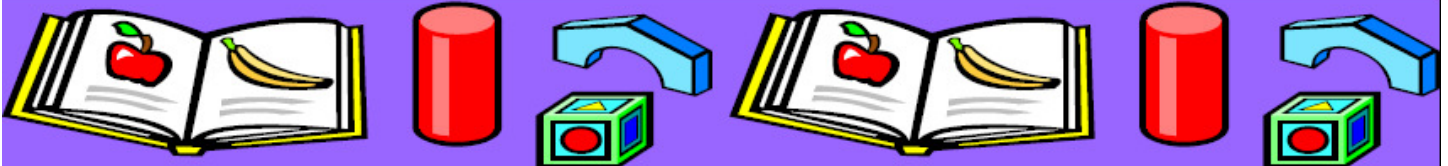

Volume FY 2011

Special Training Edition

1. The *Child Care Regulations & Licensing* training will be extended to 6 hours, effective July 1, 2011.
2. Beginning April 1, 2011, most classes starting on the 2nd day at many locations will start at 8:30 a.m. Please take note of this regarding any classes for which you may have already registered. The updated schedule is included to reduce confusion.
3. The Child Care Licensure Training Unit is now offering child care providers two new training sessions: *The Wonders of Music on Infant/Toddler Development*, and *Physical Development for Infants and Toddlers*. These classes are free and providers will receive two (2) contact hours for attending. To register, please use the registration form found below.
4. PLEASE NOTE: There is no longer a fee to attend non-mandatory trainings provided by the MSDH Child Care Licensure Training Unit. All classes are now offered free of charge, so sign up for a class today!
5. In an effort to better serve child care providers, the Child Care Licensure Division would like to extend an invitation to contact us (your licensing official or the Central Office) for solving conflicts, providing technical assistance or simply to answer questions. In addition, an information package and the *Director's Orientation* presentation are available free of charge to assist child care providers in running a center more efficiently. Thank you for all you do in caring for Mississippi's children!
6. Please check the calendars for the Cavity Free Kids, Menu Writing 101, and Color Me Healthy training sessions. All trainings are free and presented by MSDH staff. The programs are collaborating with the Child Care Licensure Division to bring these instructional and exciting new training sessions to child care providers throughout the state. The registration forms can be found with the training calendars or online at www.healthyms.com.
7. For providers who have completed the Color Me Healthy session, please remember that eight weeks after you have taken the course, Donna Speed will be mailing you an evaluation form regarding your use of the Color Me Healthy toolkit. Please remember to fill out this evaluation and mail it back promptly so that MSDH can determine the effectiveness of the program. By doing this, you will help the MSDH to continue to receive funding to improve the health and safety of the children in licensed child care centers.
8. **IMPORTANT** - Because of budget concerns, the Department is now requiring a minimum of 20 participants be registered for a training session before it will be held. If a minimum of 20 registrations have not been received at least one (1) week prior to the date of the scheduled training, the class will be canceled and rescheduled. Those registered will be notified as to when the next training session will be held.

MAPFSE FALL NEWSLETTER 2011 CONFERENCE INFORMATION

From The President:

I hope everyone had a safe and wonderful holiday season. As you know we are gearing up for our 2011 Conference to be held in Jackson, MS. I hope everyone is making plans to attend and I am looking forward to seeing everyone. I feel that membership is the responsibility of every current member of the MAPFSE. Please encourage your neighboring departments to become a member and ask them to try and send someone to the conference. This will help them realize all the great things the association has to offer, and the way their department could benefit by being able to check things out of the lending library. I encourage you to take this time to reevaluate your programs and make the adjustments you need to work on any new ones you have been thinking about but haven't had time to develop. Please don't hesitate to contact your friends in the association if you need help or information about something. We will be glad to help in any way possible. See you in Jackson!

MAPFSE President, Micheal Casey

A word from the Secretary:

I hope everyone is doing great! I am very excited to see everyone again in Jackson. Enclosed in the newsletter you will find the conference registration form and the NFA pre-class registration form. I attached the application in the email because I was having issues with getting it in this document. Please send your registration forms and applications to me at 106 W. Jefferson St. Tupelo, MS 38804 or email me at Cathy.Gault@tupeloms.gov. I need to know if you are coming so we know how many books to have available. Also in this newsletter you will find the Carter Hill Scholarship Application and the Gary Kistler Fire & Life Safety Educator Award application. Both of these applications need to be returned by March 17, 2011. The Carter Hill Application goes to Tammy Peavy (Tammy.Peavy@mid.state.ms.us or P.O. Box 79 Jackson, MS 39205-0079) and the Gary Kistler Award should be returned to Cathy Gault at the above address or via email.

The 2012 MAPFSE Conference Bid is also in the newsletter, so if you would like to host the conference next year please fill one out and turn it in at the conference. The agenda included is tentative. Some speakers and times may be subject to change. There is also the MAPFSE membership application and dates to remember. I hope everyone will do their best to be at the conference in April. Please try to bring some silent auction items with you as well. Spread the word and let people know about the conference. Please don't hesitate to let me or anyone on the Executive Committee know if you need anything.

Sincerely,

Cathy Gault, Secretary MAPFSE

Cavity Free Kids Information Below:

Cavity Free Kids is a train-the-trainer oral health curriculum that provides education about dental cavities, what causes the disease to occur, and how it can be prevented. The curriculum was developed for child care directors and staff who work closely with parents and children. Those who participate will acquire knowledge, skills, and resources to educate families and children. Hands-on training includes exercises that are fun and easy for parents and children to understand. The training is free and child care staff will receive two contact hours for attending. For more information, contact the Office of Oral Health at (601) 576-7500.

The Mississippi State Department of Health (MSDH) obtained the Cavity Free Kids (CFK) oral health training curriculum from the Washington Dental Service Foundation. CFK is a train-the-trainer oral health curriculum that provides an understanding of dental caries, what causes the disease, and how it can be prevented. CFK teaches center directors and staff about the importance of healthy teeth by using hands on oral health exercises that are fun and easy for all to understand. The train-the-trainer curriculum provides 2 free contact hours for licensed day care employees.

Please Note: This training certifies you to teach this class to other staff members at your center. Participants will be automatically approved for 2 contact hours (to be counted in the 10 'outside' contact hours). Participants will receive all training materials during the class.

- The goal of the CFK curriculum is to improve the oral health of young children who attend licensed child care centers.
- CFK is a 2-hour train-the-trainer course designed for center directors and staff that are interested in promoting and providing the curriculum training to staff, families, and children in their centers.
- Participants will receive a CFK booklet, flash drive, and 2 contact hours upon completion of the course.

Registration Instructions:

- Locate CFK trainings in your community by visiting the MSDH Child Care Provider Training Calendar at www.HealthyMS.com/childcare.
- Pre-registration is required. Registration forms must be filled out completely and legibly. Training certificates will be issued from the registration form.
- Submit registration forms at least 1 week prior to training date by mail, e-mail, or fax to the Regional Oral Health Consultant in the area of the training. (see attached map)
- You will receive a phone call confirmation verifying your acceptance to the training.
